## OTHER IMPORTANT EVENT INFORMATION

---

**NOTE: The Tournament Director and Judo Canada reserve the right to revoke the accreditation of anyone showing blatant disrespect for the rules and procedures for the competition.**

The Modified Double Elimination system is used at this event

- Tournament Regulations as per Judo Canada's Tournament Standards and Sanctions manual, unless specified otherwise in this document
- A minimum of 2 competitors must be registered in a weight category for the competition to take place.
- Medals are only awarded if an athlete has won a match.

- The Veteran division is included in these Championships. In case Judo Canada is required to select a Canadian veteran judoka for participation in international events, results of the National Championships will determine such selection(s) within the 12 months after that National Championships.
- This tournament will hold Kata competitions for KATAME-NO-KATA, JU-NO-KATA, KIME-NO-KATA for open age division only; and NAGE-NO-KATA and KODOKAN GOSHIN JUTSU, for the Senior and U21 age divisions separately. There are no gender specific divisions so all pairs are welcome (mixed or not). Multiple entries are accepted. The same competitor can enter only once in the same kata.
- FOR SHIAI: Both the Blue and White judogis are mandatory. Reversible judogis will be accepted.
- FOR KATA: White judogis only. No red & white belts.
- Each team (including officials) is responsible for reserving its own accommodation according to format specified later in this package.
- Only one representative per team can come to the accreditations to collect the cards and event packages.
- No use of bleeding dyes on the body or hair of competitors is allowed. In cases such use is undetected and it results in damage to the equipment of the opponent or the tatami, the competitor will be disqualified and the Provincial Association of which that individual is a member will be charged for the damage.

**DOPING CONTROL. Each participant in the National Championships is potentially subject to a doping control by the Canadian Centre for Ethics in Sport (CCES) on a random basis in accordance with the Canadian Anti-Doping Program (CADP). To avoid an inadvertent positive test and the consequences of an anti-doping rule violation, athletes are encouraged to take the following steps:**

- Check the Global DRO ([www.globaldro.com](http://www.globaldro.com)) to determine if any prescription or over-the-counter medications or treatments that are banned by the WADA Prohibited List.
- Review medical exemptions requirements ([www.cces.ca/medical](http://www.cces.ca/medical)) if you require the use of a banned medication for a legitimate medical reason.
- Do not use supplements, or take precautions prior to doing so. Supplement products cannot be verified by the CCES or in the Global DRO. A lack of industry and government regulation makes it impossible to confirm their ingredients. Read more: [www.cces.ca/supplements](http://www.cces.ca/supplements)
- Review the steps of the doping control sample collection procedures:
