

AGE AND WEIGHT DIVISION STANDARDS 2020-2021

As per the IJF regulations, Age refers to THE AGE AS OF DECEMBER 31st; however, for events taking place in Canada in the first four months of the season (September through December), the age is calculated as of December 31st, of the second calendar year of the season. For Example: for the season starting on Sept 1, 2020, and ending on Aug 31, 2021, the age will be calculated as per the age of the member on December 31, 2021.

If other arrangements are needed to accommodate participants, competition among children whose body weights does not differ more than 15% of the weight of the lightest participant in a designated event.
