BACK PATCH REGULATION POLICY

In the past year, we have seen a rise in the use of back patches in competitions in Canada. Although most of these back patches comply with IJF rules, an increasing number of them do not. Because of this trend, Judo Canada believes that it is important to implement new back patch regulations for Judo Canada's points events that balance the need for a standardized uniform with the players desire to relate themselves to their provinces, countries and clubs.

The back patches worn by Canadian athletes will have to comply with this regulation. Specifically, the patches may contain the following items:

1. player's name at the top of the back patch
2. player’s country or province (using codes listed below) in the middle of the back patch
3. player’s judo club name and judo club symbol (as long as these symbols do not violate Judo Canada’s code of conduct) at the lower part of the back patch.

In addition, advertisements may only be placed on the judogi in compliance with the IJF rules.

Furthermore, the judo club crest can be placed instead of the national emblem on the upper left side of the judogi's vest.

You will find in this document details on how back patches should be sewn on the judogi in compliance with Judo Canada's regulations.

Judo Canada will not strictly apply these regulations to individuals from other countries competing in Judo Canada's points events unless the back patches violate Judo Canada's code of conduct. These cases will be dealt with individually.

Finally, Judo Canada does not require athletes to wear IJF approved judogis as long as the judogi does not violate any IJF rules.

Additional advertising reserved for the athlete

The International Judo Federation wished that the athletes could provide their economic partners an advertising space allowing them to make their own promotion. This rule will apply from the next World Championships in Chelyabinsk in 2014.

NEW RULE

An advertising reserved for the athlete is allowed only on the judogi jacket, on the right side. This one must appear in a rectangle of 10cm X 5cm. It cannot be competing of the judogi brand and of the advertising reserved to the Federation (except agreement of this one). It is not permitted to make the promotion of tobacco, alcohol, any substances within the fight listed in the doping code, of any product, property or service contrary to the morals and to the good customs.

* In Canada we also accept Provincial flag or Judo Club Logo.
Sewing instructions:

It is best to have your Backnumber sewed on by a saddler or tailor who has got an industrial sewing machine. Please use strong and thick needles. Depending on how thick your Judogi is needles could also break. Please also note that it is not permitted to change the Backnumber.

It is essential to use white thread for sewing. Sew as close as possible along the outer edge of your backnumber and then as shown above.

Backnumbers must be horizontally adjusted in the central section at an exact distance of 3 cm from the bottom of the collar when attached to the back of your Judogi.
